

THE USURPERS

The Usurpers is a simple 3 player digital board game where the usurping factions fight for the power of a island country.

To win you need to defeat the two other usurpers and bring down the royal family.

Rules

Each player gets one attack action per turn. You can attack from a province you control to a enemy- or uncontrolled province. When you attack your units are shuffled and faces a random unit in the enemies army. They fight more efficently when attacking and gain bonuses according to this chart:

You can also buy units (unlited number of times per turn). Buying units require the right resource to be under your control and that you can afford to buy it. All provinces gives you 10 leons (currency) per turn.

Controls

Use the mouse to move around the screen.

You can use these keyboard shortcuts:

'a' to attack,
'b' to buy units,
space' to pass the turn.

Have fun!
